Expression of support to SAA Aeronautical Academy Ltd.

Ministry of Economic Development and Technology of Republic of Slovenia would like to express long term extensive support to SAA Aeronautical Academy Ltd., having business address at Trg Svobode 20, 1420 Trbovlje, Slovenia, EU and its CEO Captain Blaž Berdnik, during the expansion of new training programs at new markets.

This support is given specifically while offering:

SAA Professional pilot training program in the Republic of India

Ministry of Economic Development and Technology endorses SAA expansion to new markets with high economic growth will have long term positive impact on the development of Slovene economy. Students from India will benefit from high level of Slovene and European aviation training and Safety standards and tradition which they will be able to exhibit during all their aviation career.

Ministry of Economic development and technology will continue to provide assistance and support to SAA (under its capabilities and in accordance with the legislation of Republic of Slovenia) in all the activities that will lead to successful start and during all training process at SAA Aeronautical Academy.

However, the ministry underlines that this expressed support does not adhere any financial or other obligations to the abovementioned project.

Yours sincerely,

Mr. Jernej Salecl
Acting Director General
Directorate for Internationalisation,
Entrepreneurship and Technology
